

Second Hand Uniform Process

- The stock list will be updated every month – but please note that some items may be sold in between updates.
- If you are interested in an item from the stock list, please contact Nicky Bailey to double-check, and to organise coming in to try it on/buy it.
- Nicky is available most days from 8.30pm to 3.30pm (but please avoid the busy lunchtime period, 1.10 – 2.10pm).
- If you have any items to donate, please bring them into reception for the attention of Nicky Bailey, during the same times as above.
- If there is something you particularly need but you don't see on the stock list, please email us on marlingpta@gmail.com . If we get other enquiries of a specific item we'll put out a general request to parents for donations of these.
- We are very open to feedback on how this process is working, please contact us on marlingpta@gmail.com
