Our legal basis for using this data

Pupils' and parent/carers' personal data is only collected and used as the law allows. Most commonly, it is processed where:

Where consent has been obtained to use pupils' and parents/carers' personal data, this consent can be withdrawn at any time. This will be made clear when consent is requested, and explanation given how consent can be withdrawn.

Some of the reasons listed above for collecting and using pupils' and parents/carers' personal data overlap, and there may be several grounds which justify use of this data.

National Pupil Database

The Trust is required to provide information about pupils to the Department for Education as part of statutory data collections such as the Academy School census

Some of this information is then stored in the [National Pupil Database](#) (NPD), which is owned and managed by the Department and provides evidence on school performance to inform research.

The database is held electronically so it can easily be turned into statistics. The information is securely collected from a range of sources including schools, local authorities and exam boards.

The Department for Education may share information from the NPD with other organisations which promote children's education or wellbeing in England. Such organisations must agree to strict terms and conditions about how they will use the data.

For more information, see the Department's webpage on [how it collects and shares research data](#).

You can also [contact the Department for Education](#) with any further questions about the NPD.

Youth support services

Once Trust pupils reach the age of 13, there is a legal requirement to pass on certain information about them to Gloucestershire Local Authority and/or Youth Support Services as it has legal responsibilities regarding the education or training of 13-19 year-olds.

This information enables it to provide youth support services, post-16 education and training services, and careers advisers.

Parents/carers, or pupils once aged 16 or over, can contact the Trust DPO to request that only the individual's name, address and date of birth is passed to Gloucestershire Local Authority and/or Youth Support Services
