Help us to help you...

With almost fifty schools and pre-schools to supply uniform for, as you can imagine we can get very busy!

Please **do not** leave your back-to-school shopping until the last minute - These are unprecedented times and we have had to radically change our normal trading model to provide a Covid safe environment for everyone. We will be restricting numbers to the store therefore we are anticipating queues in August.

New starter uniform guide

Skip the queue and get your sizing right first time.

We understand the added pressure of starting a new school, so we have developed a **Personalised Appointment System** to make things a little easier for the whole family. Booking an appointment with a trained member of the team will ensure that you know you are getting all the items your child will need to start their new adventure.
