A Level Mock Exams May 2022

All exams to take place in the Sports Hall unless otherwise stated.

Most lessons will be suspended for Year 12 from 3rd May to 11th May inclusive, although teachers will be in the timetabled rooms to support independent revision for those students who would prefer to work in this way. However, students who study Music Technology or an Art A Level should continue to attend lessons in these subjects as far as their exam timetable allows. Students who study Music or German should continue to attend SHS lessons as far as their exam timetable allows.

Timetabled lessons resume in all subjects from Thursday May 12th.

Students should ensure that they arrive at the exam venue a minimum of 5 minutes before the scheduled start time.

Students are responsible for ensuring they are fully equipped for all exams.

Students who have a clash on their timetable should email examinations@marling.school to confirm alternative arrangements.

Students who are absent for an exam should go directly to the exam hall on the first day of their return to begin catching up on any exam(s) missed.

Session times are as follows:

Session 1 - 08:45 start

Session 2 - 12:15 start

Raising Aspirations, Inspiring Excellence, Succeeding Together
