08/02/2026: South West Regional Table Tennis Tournament

Congratulations to Sam, Spencer, Ray, Oliver, Benji, Niall, Jack and Will for their fantastic performances at the South West regional tournament. All of the boys played brilliantly and demonstrated that they can operate at regional level.

The U16's dominated their opposition and won comfortably! Will got the ball rolling with a quick victory, which was followed by Niall winning his first game against the opposition's top seed. It was then Benji's turn to win his first game 3-0, which was followed by Jack who missed out 3-1. The boys showed fantastic skill, accuracy and teamwork throughout and will now compete at the national finals! This is an amazing achievement as not many athletes can boast about being regional champion.

The U 13's, which consisted of three year 7 students finished third and narrowly missed out on second place. The level of competition was extremely high and Sam, Spencer, Oliver and Ray represented the school with great pride. The future is certainly bright for these four young men and we hope they will follow in the U16's footsteps next year, and progress to nationals.

A special mention to Will who was a brilliant captain and provided key tactical feedback to all of his teammates.

09/02/2026: Marling Year 9- 2 vs Maidenhill School- 0

Marling extended their winning run with an excellent all-round performance and another clean sheet. The team controlled the match from start to finish, showing great composure on the ball and real determination off it. After a strong first half, the breakthrough came in the second half when Abeeshan found the back of the net. Joe soon added a second to put the result beyond doubt.

At the other end, the defence stood firm throughout. Alex, Elian, Ali, Mitchell and Fin were solid and disciplined, working tirelessly to keep Maidenhill out. Player of the Match goes to Spencer for his consistent effort. He created several quality chances and maintained a high level of performance from the first minute to the last.

11/02/26 - Marling 1st XI- 3 vs Farmors School- 0

Marling progressed into the next round of the County Cup with a convincing 3–0 victory over Farmor’s School, built on discipline, work rate, and an excellent second-half display. The opening 45 minutes were competitive, with both sides battling for control and Marling showing flashes of quality without quite finding the finishing touch. After half-time, however, Marling returned with far greater intensity, pressing higher up the pitch and moving the ball with real purpose. This shift in momentum quickly paid off as Ryan, Luke, and Joe all found the net in rapid succession, turning a tight contest into a dominant lead. The goals came as a result of sustained pressure, sharp combination play, and clinical finishing, effectively putting the game out of reach for Farmor’s. Marling managed the final stages with maturity, securing a clean sheet and rounding off a fantastic team performance and a fully deserved win.

11/02/26 - Marling 1st VII vs St Peter’s School VII

Unfortunately, our opponents cancelled this fixture with just an hour’s notice. We hope to re arrange this fixture after half term.

12/02/26 - Marling Year 8- 6 vs Maidenhill School- 1

The Year 8's delivered one of their most complete performances of the season in a commanding 6-1 win over Maidenhill School. From the outset, Marling controlled the tempo of the game, linking up brilliantly through midfield and consistently stretching the opposition with slick, accurate passing. Their movement off the ball created numerous openings, while several players produced moments of outstanding individual skill to beat defenders and create chances. As the goals began to flow, Marling's confidence grew, and they maintained their attacking threat throughout the match. Despite conceding a late goal that denied them a clean sheet, the team maintained composure and continued to play positive football until the final whistle.

Overall, it was a dominant display marked by creativity, teamwork, and exceptional technical quality — a performance the players should be very proud of.

03/02/26 - Marling Year 11 - 1 vs Rednock School- 4

Our first district match of the year was against Rednock. After a slow start, going 1-0 down, we dominated the rest of the half. Going into the second half, we once again controlled possession, limiting Rednock to next to no chances. However Rednock's only two shots on target in the second half caused us to go 3-0 down. Finn made it 3-1 but Rednock scored a brilliant goal to make it 4-1.

The result didn't match the performance, lots of positives to take into our next game.

12/02/26 - Marling Year 10 vs Maidenhill School Year 10

13/02/26- Marling Year 7 vs Maidenhill School Year 7

Due to the excessive amount of rain that has fallen this week we have had to postpone these fixtures until after half term.

08/02/2026 Gloucester ASA Championships 2026

Our Marling swimmers achieved excellent results. Lorcan won 16 medals and became junior county champion five times, while Charlie collected 8 medals, including age-group gold and junior silver in the 200m Butterfly. They also reached the junior final of the 200m Individual Medley, with Lorcan taking gold.

Freddie R (Year 8) added two bronzes in the 200m Backstroke and 200m Butterfly.

A brilliant set of performances—well done, boys.

Regionals follow in April and May.

WHAT IS SOCS & WHY ARE WE USING IT?

SOCS (School Online Communication System) is our school's dedicated sports platform, making it easy for students and parents to stay up to date with all things sport. Through SOCS, students and parents can quickly view the full sporting calendar, check team selections, and follow each team's progress throughout the season. The platform is simple to use, just click on the following links to see the upcoming fixtures, match details, and results, all in one place. Please ensure you regularly check SOCS to stay up to date!

EXTRA CURRICULAR FAQ'S

How does my child sign up for extra-curricular clubs?

Students need to attend the club and write their name on the register. We then use this register to select teams for any upcoming fixtures.

How does my child sign up for clubs which are run by external coaches?

Students need to attend the club they are interested in and speak directly with the coach, they will then be given all of the sign up information. This includes instructions on how to pay.

When can I purchase a gym pass for my child to use the fitness suite?

Students in KS4 and KS5 can purchase a gym pass via Parent Pay, it is £50 for the year. If there isn't an option to do this on Parent Pay, all of the gym passes have been sold..

Where do extra-curricular clubs take place?

All clubs take place at the sports hall, unless stated otherwise. If there is a change of venue, students will be notified directly by the club's coach.

What uniform should my child wear when taking part in an extra curricular club?

Students are expected to wear the same PE kit at extra curricular-clubs that they wear in PE lessons. For example, when participating in rugby training, they should wear their rugby kit. Please be aware that if students are wearing the wrong kit they may not be allowed to take part in the extra-curricular club. Also, students are not allowed to wear their PE kit into school if they are only participating in a lunch time club.

Will training be cancelled if students have competed in a fixture earlier in the week?

No, training will still take place. However, the coach will let parents and students know in advance if training needs to be cancelled.

If a fixture and training is scheduled for the same day, will training still take place?

No, the fixture takes priority so there will be no training that week.
