02/03/2026: Year 7 A Team @ the District Tournament

Our Year 7 team showed superb determination in this week's football tournament, playing four back-to-back matches and drawing all of them 0-0 (each game was 12 minutes long). The squad produced some excellent passages of play and stayed solid defensively throughout, with Myles making several outstanding saves to keep the team level in every game.

With Rednock also finishing on four goalless draws, a penalty shoot-out was needed to decide who would progress to the semi-finals. Filip, Buddy, and Luther stepped forward with confidence to take the penalties, showing real composure under pressure. The standout moment came from Myles, who saved two of Rednock's three penalties, earning Player of the Match and securing a 2-1 win on penalties. The team now moves on to the semi-finals after a disciplined, hard-working, and truly impressive performance.

03/03/2026: Year 8 A's- 3 vs KLB School- 0

Marling's Year 8s produced a superb all-round performance to secure a deserved 3-1 victory over KLB. From the first whistle, Marling controlled possession, pressed intelligently, and consistently won key battles across the pitch. Their passing combinations were sharp, transitions were quick, and the team showed great composure in the final third. Three well-taken goals highlighted their attacking quality, and defensively they were organised, communicating well to limit KLB to only a handful of chances. Even when KLB threatened late on, Marling stayed disciplined, managed the game sensibly, and fully earned the win. It was one of their most complete displays of the season.

There were some fantastic finishes on display, with goals coming from Dan, Conner, and Zach, along with strong contributions from the rest of the squad.

The Year 9's put in an impressive all-round performance at the start of the week, earning a confident 3–0 win over Holmleigh Park. From the first whistle they looked organised, moving the ball well and pressing. Their control of the game showed in the way they created chances consistently while staying solid at the back.

Stanley was a standout in attack, scoring two well taken goals that showed both composure and sharp movement. Ali added the third with a calm finish of his own, rounding off an excellent performance. Just as importantly, the defence stayed switched on throughout, limiting Holmleigh Park to very few opportunities and protecting the clean sheet with discipline.

04/03/2026: Marling 1st XI- 2 vs St Peter's School-3

In a fiercely competitive and high-quality county cup group match, Marling were narrowly edged out 3–2 by a strong St Peter's side. The game was played at a superb tempo, with both teams creating chances and showing real technical quality. Marling responded brilliantly after falling behind, scoring two well-worked goals and showing excellent resilience and willingness to compete physically.

At 2–2, the match was wide open, and Marling continued to push for a winner, but St Peter's capitalised on a late opportunity to take the lead. Despite the result, this was a performance full of character, teamwork, and desire, and the narrow margin showed just how competitive Marling are at this level.

05/03/26 - Marling School Year 11- 4 vs KLB School- 1

After a tricky start going 1-0 down within 2 minutes, the team responded superbly dominating all parts of the game and going 2-1 up at half time thanks to an own goal and a goal scored by Finn. In the second half Marling produced a composed assured performance. Toby and James were super reliable in defence winning every first contact and limiting KLB to nothing up front. Jacob and Maciej added 2 more goals and the game finished 4-1. It was a fantastic performance from the team, one more district cup game to go and a win could see us through.

05/03/26 - Marling School Year 10 - 2 vs KLB School - 1

In a highly competitive and enthralling fixture, Marling prevailed as 2-1 winners over KLB school.

During the first half, KLB had the majority of possession and territory, however, two fantastic counter-attacks led to Marling finishing the half with a two goal lead. Elliott scored the first goal with a fantastic finish from the edge of the box and Sonny scored our second after a great team move. Within this counter attack Taran in particular showed great composure to square the ball across the box to Sonny who then placed the ball into the bottom corner, to give us a 2-0 lead. Also, Harry produced an excellent save after 5 minutes.

The second half was a very tight affair, but the work ethic and commitment from our boys was enough to hang on for a 2-1 victory. Congratulations to Harry in goal and Lucas in midfield who were jointly voted player of the match.

05/03/26 - Marling School Year 9 - 1 vs KLB School - 0

In a very competitive fixture the Year 9's prevailed largely thanks to outstanding performances from Seb, Joseph and Alex. Although, the score line was only 1-0, our Year 9 team dominated territory and possession and were deserved winners. Congratulations to Joseph who scored the decisive goal and to the back four, who managed to limit the chances a very good KLB team were able to create.

This victory secured the Year 9's place in the semi finals of the district cup.

05/03/2026- Marling 1st VII- 14 vs KLB 1st VII- 29

The netball girls faced KLB today in a competitive match. Although the team was missing some key players, everyone stepped up and delivered a fantastic performance. Mima and Faith both made their debut and impressed with some lovely interceptions.

The whole team played exceptionally well, with several players also stepping out of their usual positions to support the team. Their teamwork, effort, and positive attitude were evident throughout the match.

Attacking Player of the Match: Erin

Defensive Player of the Match: Ella

CONGRATULATIONS TO JONTY!

Jonty will be competing against Nottinghamshire, Northamptonshire and Bedfordshire.

ELI'S MARTIAL ARTS SUCCESS

Well done to Eli in Year 7, who enjoyed a very successful day at the WUMA British Championships. He secured first place in two height categories — under 130cm and under 140cm — in the light-contact kickboxing competition.
