16/03/2026: Marling Year 10-3 vs Maidenhill Year 10- 0

The Year 10's demonstrated their best performance of the season and comfortably outclassed Maidenhill. The team were disciplined, organised and tenacious throughout, as from the first whistle they controlled the game and restricted Maidenhill to just two shots in total.

Harry was player of the match as he was excellent at centre back, he won every aerial battle and was composed with the ball at his feet. Sonny, Patrick, Lucas, Taran and Elliott all had brilliant games, the energy they demonstrated throughout was excellent as they didn't give Maidenhill a moment on the ball.

Following this result the boys will progress to the semi-final of the district cup.

This week our Year 7 footballers travelled to face Thomas Keble, taking two squads who each showed excellent effort and commitment throughout their matches. Although the results didn't go our way, the boys demonstrated real resilience and strong team spirit.

B Team – 5–0 Loss

The B team came up against a very strong Thomas Keble side. Despite the challenging scoreline, the boys continued to work hard, support each other, and compete right to the final whistle.

C Team – 3–0 Loss

The C team also battled well in their fixture. Their determination never faded, and they maintained great teamwork and encouragement throughout the game.

Player Highlights

Special recognition goes to:

- George and James, who led by example with outstanding encouragement and effort, helping to keep team morale high in both fixtures.
- Charlie, who produced a superb last-minute penalty save — a moment that perfectly captured the fighting spirit of the Marling boys.

18/03/2026: Marling 1st VII- 14 vs Ribston High School 1st VII- 18

The girls played a brilliant friendly against Ribston, finishing with a close 18–14 result in Ribston's favour. As we near the end of the season, we decided to mix things up with bibs roulette, giving the girls the chance to play out of their usual positions. It made for a fun, energetic game helped by the sunshine making an appearance. A huge congratulations to Meg, who was awarded Player of the Match for her fantastic performance in both attack and defence. Our final fixture of the season will take place next Wednesday against Denmark Road here at Marling.

18/03/2026: Marling 1st XI- 2 vs Crypt School 1st XI- 1

Marling emerged victorious over a very talented Crypt side to earn their spot in the County Cup Final for the second consecutive year. They started strongly, dominating possession and creating chances from set pieces, but it was Crypt who struck first with an excellent individual goal. Marling refused to let this dent their confidence and continued to apply pressure. Just before half-time, they found their reward with a well-executed set piece, sending the teams in level at 1–1. They began the second half just as positively, showing clear intent to score—and they delivered. A superb cross found our centre half at the back post, securing the decisive goal. The boys now look ahead to facing St Peter's in next Wednesday's final, which promises to be a match for the ages.

Special Mentions to Ryan, Luke, Toby, Joseph and Daniel who played exceptionally well.

19/03/2026: Marling Year 7 A/B's- 3 vs Maidenhill Year 7- 2

The Year 7's produced a determined and spirited performance against a very good Maidenhill team, to edge the contest 3-2. The boys played 3 x 20 minute games, to ensure all of the players had equal game time.

The first game finished 0-0 thanks to Miles who made several fantastic saves! Maidenhill were the better team during this game, their movement and passing were excellent and we were lucky not to concede. Following this game we changed our formation and tactics and were much improved in comparison to the first game. After several minutes of sustained pressure Archie scored to give us a 1-0 lead, after he calmly rounded two defenders. A few minutes later Arlo scored the goal of the season as he ran onto the ball at pace and hit the ball on the half volley. The ball flew into the bottom corner, giving the goal keeper no chance. Following this the boys' work rate dropped, this led to Maidenhill having more of the ball and they converted a brilliant team move with a few minutes to go. Finally, they scored with the last kick of the half following a set piece. The final game was another close contest which Marling edged 1-0 following a fantastic team move.

Special mentions go to Luther, Jacob, and Louis who all played brilliantly!

16/03/2026: Marling Year 11-1 vs Kingshill School Year 11- 4

The Year 11's travelled to Kingshill School for the semi-final match. After a cagey start by both teams Kingshill took the lead with a well worked goal. Instant response by Marling as Finn won a penalty and it was coolly converted by Jacob making it 1-1. On the last play of the half, we conceded going into the second half 2-1 down. Marling struggled in the second half with Kingshill defending well and scoring 2 well worked goals making the game 4-1. It has been an absolute pleasure to take the team for the lasts two years. I hope to see all of the team training with the Sixth Form next year and being a part of the 1st XI football team at Marling School.

EXTRA CURRICULAR FAQ'S

How does my child sign up for extra-curricular clubs?

Students need to attend the club and write their name on the register. We then use this register to select teams for any upcoming fixtures.

How does my child sign up for clubs which are run by external coaches?

Students need to attend the club they are interested in and speak directly with the coach, they will then be given all of the sign up information. This includes instructions on how to pay.

When can I purchase a gym pass for my child to use the fitness suite?

Students in KS4 and KS5 can purchase a gym pass via Parent Pay, it is £50 for the year. If there isn't an option to do this on Parent Pay, all of the gym passes have been sold..

Where do extra-curricular clubs take place?

All clubs take place at the sports hall, unless stated otherwise. If there is a change of venue, students will be notified directly by the club's coach.

What uniform should my child wear when taking part in an extra curricular club?

Students are expected to wear the same PE kit at extra curricular-clubs that they wear in PE lessons. For example, when participating in rugby training, they should wear their rugby kit. Please be aware that if students are wearing the wrong kit they may not be allowed to take part in the extra-curricular club. Also, students are not allowed to wear their PE kit into school if they are only participating in a lunch time club.

Will training be cancelled if students have competed in a fixture earlier in the week?

No, training will still take place. However, the coach will let parents and students know in advance if training needs to be cancelled.

If a fixture and training is scheduled for the same day, will training still take place?

No, the fixture takes priority so there will be no training that week.
