05/05/2026: Marling Year 7 and Year 8 Tennis vs Sir Thomas Rich's School

Our team hosted Sir Thomas Rich's in LTA School division 2 match. Our boys battled well showing great play and resilience taking what they have learned from tennis club into action. Ultimately Sir Thomas Rich's were too strong for our boys and ended winners. However, there were plenty of positives to take forward for the team.

06/05/2026: Marling Year 8 B Team vs Deer Park School A team

Our B team put up a great fight against Deer Park School's A team, but were well beaten by a very talented Deer Park team. Specifically, Deer Park scored 157 runs, compared to the 67 we were able to score. Despite the scoreline our boys demonstrated fantastic attitude, camaraderie and played some fantastic cricket. Ali scored an impressive 21 runs, Abhinav scored 15 and Will scored 13 runs to keep the score board ticking over. Lucas came within a whisker of bowling out their best batsman when he was on 22 runs, which would have drastically altered the scoreline. As well as this, Spencer made a great attempt at catching a very high ball in the outfield, but it just slipped through his fingers,

At the end of the game all of the boys were in great spirits and were asking when the next game is, as they can't wait to represent the school again. A special mention to Liam and Jarvis who made their first appearance for Marling's cricket team.

06/05/2026: Marling Year 8 A Team vs Kingshill School A Team

Marling opted to bat first and set a target score of 160! With Varenya retiring at 50 and some respectable scores from both Asad (22) and Akshaj (20).

With a respectable target set, this gave our bowling attack some confidence as they took some very early wickets leaving Kingshill with a very steep mountain to climb in order to chase our score down. Kingshill finished with 75-9 and this sees Marling go through to the next round of the County Cup.

A special mention to Ollie, Sean and Dhiraj for their excellent performances.

05/05/2026: Marling Year 9 Football 3 vs Cotswold School- 4

The Year 9s played The Cotswold School in the County Semi-Final this week. Although the result did not go our way, the boys produced an excellent performance and showed great determination from start to finish. The game was played at a high intensity, and the team competed brilliantly against strong opposition.

Despite dealing with several injuries and having a player sent off, the boys refused to give up and continued to battle throughout the match. The commitment and character shown by the squad reflected how much progress they have made over the course of the season. The team should be extremely proud of everything they have achieved this year. Reaching the County Semi-Final is a fantastic accomplishment and is a reward for all their hard work. The boys have represented the school brilliantly all season and have shown great sportsmanship and togetherness throughout. It has been an amazing season, and they should all be proud of how far they have come.

Success for Haroun at Hockey

Haroun in Year 9 was part of the winning team representing Cirencester Hockey Club on 26th April. Cirencester won the West of England U14s T2 League. As a goalkeeper he made important saves to beat Wotton-under-Edge in a close final. Well done Haroun!

WHAT IS SOCS & WHY ARE WE USING IT?

SOCS (School Online Communication System) is our school's dedicated sports platform, making it easy for students and parents to stay up to date with all things sport. Through SOCS, students and parents can quickly view the full sporting calendar, check team selections, and follow each team's progress throughout the season. The platform is simple to use, just click on the following links to see the upcoming fixtures, match details, and results, all in one place. Please ensure you regularly check SOCS to stay up to date!

EXTRA CURRICULAR FAQ'S

How does my child sign up for extra-curricular clubs?

Students need to attend the club and write their name on the register. We then use this register to select teams for any upcoming fixtures.

How does my child sign up for clubs which are run by external coaches?

Students need to attend the club they are interested in and speak directly with the coach, they will then be given all of the sign up information. This includes instructions on how to pay.

When can I purchase a gym pass for my child to use the fitness suite?

Students in KS4 and KS5 can purchase a gym pass via Parent Pay, it is £50 for the year. If there isn't an option to do this on Parent Pay, all of the gym passes have been sold..

Where do extra-curricular clubs take place?

All clubs take place at the sports hall, unless stated otherwise. If there is a change of venue, students will be notified directly by the club's coach.

What uniform should my child wear when taking part in an extra curricular club?

Students are expected to wear the same PE kit at extra curricular-clubs that they wear in PE lessons. For example, when participating in rugby training, they should wear their rugby kit. Please be aware that if students are wearing the wrong kit they may not be allowed to take part in the extra-curricular club. Also, students are not allowed to wear their PE kit into school if they are only participating in a lunch time club.

Will training be cancelled if students have competed in a fixture earlier in the week?

No, training will still take place. However, the coach will let parents and students know in advance if training needs to be cancelled.

If a fixture and training is scheduled for the same day, will training still take place?

No, the fixture takes priority so there will be no training that week.
